## Stone Gate Resort Policies

**Firearms** | Firearms are not permitted on site or in any accommodation for any reason, including storage.

Guests who fail to abide by this policy may be asked to leave the resort without a refund. A blanket exception to the restrictions described in this policy statement applies only to law enforcement officers and designated military personnel who are **on duty** and required to carry firearms in the performance of their duties. No exemption to this policy is allowed for private persons, even those licensed and permitted to carry a firearm, and/or, where applicable, to conceal carry a firearm. Note: This is a felony in New York. Authorities will be notified.

**Fishing** | Although fishing is not allowed on the property, day passes may be purchased adjacent to the resort at the Hearthstone Campground, for \$10/car. A NY State fishing license is required for anyone over the age of 16.

**Guest Responsibilities** | All guests staying in the accommodations reserved under the reservation agree to the policies set forth below. This includes the actions and/or behavior of unsupervised children or guests under the age of 21. Violations of any of these policies shall be grounds for immediate eviction from the premises and forfeiture of payment.

**Housekeeping Services** | Housekeeping services are provided daily to tidy beds, remove the trash, replenish towels and bathroom toiletries, and replenish coffee stations. If your DO NOT DISTURB sign is out and your SERVICE PLEASE sign is not out when housekeeping reaches your accommodation, your room will not be serviced.

**Ice/ Vending Machines** | Your in-room ice bucket may be filled from the ice machine located on the first floor of the hotel building, next to the vending machine. Please be considerate of your fellow guests and refrain from filling up coolers (even small ones). Bags of ice may be purchased at the convenience store adjacent to the resort.

**Insects and Critters** | Since the resort is in a semi-wooded location, it is not uncommon to occasionally come across tree ants, bumble bees, wasps, spiders, squirrels, chipmunks, bats, and skunks. We do not recommend propping or leaving your front door open for any period. Inside your accommodation, please avoid storing food out in the open by always using your mini- or full-size fridge for food storage. Any sweet foods left outside the fridge or dropped into the bedding or carpeting, such as pieces of fruit, dried fruits, crackers, etc., will likely attract tiny sugar ants in no time.

**Keys** | For your safety and security, please ensure the door to your room is properly closed and locked before each departure. If the housekeeper finds your door unlocked and your room unoccupied during housekeeping service, the housekeeper will lock the door upon leaving to ensure the security of your belongings.

**Linens** | Bath towels and bed linens are provided with your stay. Bath towels may not be removed from the room for use at the beach or pool area. Linens and pillows must also remain inside the accommodations.

**Lost & Found** | Belongings left behind at the beach, pool, or inside accommodations after guests' departure are placed inside our Lost and Found container. It is typically cleaned out once weekly, and items not claimed are discarded or donated.
